# **EXPLANATORY STATEMENT**

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the AGM to be held physically at the offices of Baker McKenzie, Level 19, 181 William Street, Melbourne at 10.00am (Melbourne time) on Wednesday 26 May 2021.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions at the AGM.

# **RESOLUTION 1: REMUNERATION REPORT**

Section 250R(2) of the Corporations Act requires that the section of the Directors' Report dealing with the remuneration of director and key management personnel *(Remuneration Report)* be put to the vote of shareholders for adoption by way of a non-binding vote.

The Remuneration Report details the remuneration policy for the Company and:

- reports the remuneration arrangements for Company Executives and Non-Executive Directors (HCD Personnel);
- explains Board policies in relation to the nature and value of remuneration paid to HCD Personnel; and
- discusses the relationship between the policy and Company performance.

The Remuneration Report is available within the Directors' Report in the Company's 2020 Annual Report (which has been made available on the HCD website, under "Announcements and Reports" and then "Annual Reports"). The Chairman will give Shareholders a reasonable opportunity to ask questions about or make comments on the Report.

Under the provisions of the Corporations Act and subject to the qualifications in the paragraph below, the shareholder vote is advisory only and does not bind the Directors, and will not require the Company to alter any arrangements detailed in the Remuneration Report, should the resolution not be passed. Notwithstanding the legislative effect of this requirement, the Board has determined that it will take the outcome of the vote into consideration when considering the remuneration policy.

In addition, the Corporations Act provides that, if a company's remuneration report receives a 'no' vote of 25 per cent or more at two consecutive annual general meetings, a resolution must then be put to shareholders at the second annual general meeting as to whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election. So, in summary, while the shareholder vote on a Remuneration Report is advisory in respect of that Remuneration Report, shareholders will be entitled to vote in favour of holding a general meeting to re-elect the Board if the Remuneration Report receives "2 strikes".

Shareholders will be given the opportunity to ask questions and to make comments on the Remuneration Report.

A voting exclusion statement is set out in the Notice of Meeting.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.

# **RESOLUTION 6: APPROVAL OF 10% PLACEMENT FACILITY**

#### General

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities (as that term is defined in the ASX Listing Rules) up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 7.2(c) below). The Company may use funds raised from any 10% Placement Facility for its exploration expenditure requirements and general working capital.

#### 1. Description of ASX Listing Rule 7.1A

#### (a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

#### (b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of the Notice, the Company has three classes of Equity Securities on issue being Shares, Unlisted Options and Incentive Rights

# (c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:  $(A \times D) - E$  A is the number of shares on issue 12 months before the date of the issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

### **D** is 10%

*E* is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

# ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 7.2(c) above).

# (d) Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

# (e) 10% Placement Period

Assuming Resolution 6 is passed, Shareholder approval of the Additional 10% Placement under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

- (1) the date that is 12 months after the date of the AGM; or
- (2) The time and date of the entity's next annual general meeting; or
- (3) the date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking); or

or such longer period if allowed by ASX.

# 2. ASX Listing Rule 7.1A

The effect of Special Resolution 6 will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

# 3. Specific Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
  - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
  - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 6 is approved by the Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of unlisted options, only if the unlisted options are exercised). There is a risk that:
  - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
  - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a prorata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting;
- No options or incentive rights are exercised into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A. The Company has 46,269,645 Unlisted Options and 14,050,000 Incentive Rights on issue at the date of this Notice of Meeting;
- (iii) The table does not demonstrate an example of dilution that may be caused to a particular shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting;
- (iv) The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule";
- (v) The price of ordinary securities is deemed for the purposes of the table above to be \$0.025, being the closing price of the Company's listed securities on ASX on 14 April 2021 (Deemed Price). The Deemed Price is indicative only and does not consider the 20% discount to market that the securities may be placed at;
- (vi) The table does not demonstrate the effect of listed or unlisted options being issued under ASX Listing Rule 7.1A, it only considers the issue of the fully paid ordinary securities.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking) before the anniversary of the AGM or at the time and date of the entity's next annual general meeting.
- (d) The Company may seek to issue the Equity Securities for the following purposes:

The Company intends to use the funds raised towards continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital, or if applicable, towards the acquisition of new assets or investments (including expense associated with such acquisition). The issue under Listing Rule 7.1A can only be made for cash consideration.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new resources assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

- (e) The Company has previously obtained Shareholder approval under ASX Listing Rule 7.1A at its Annual General Meeting held on 29 May 2020.
- (f) A voting exclusion statement is included in the Notice of Meeting to which this Explanatory Memorandum relates. At the date of that Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

# 4. Additional Information required by ASX Listing Rule 7.3A.6

# Listing Rule 7.3A.6(b): Details of equity securities issued in previous 12 months

A Voting Exclusion Statement is set out in the Notice of Meeting.

At the date of the Notice, the proposed allottees of any securities which may be issued in accordance with this resolution are not as yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of the securities which may be issued in accordance with this resolution), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

Resolution 6 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders entitled to vote on Resolution 6 must be in favour of the resolution.

The Directors of the Company believe that Special Resolution 6 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.
